DETAILED ACTION

Allowable Subject Matter

1. Claim 1 is allowed.
2. The following is an examiner's statement of reasons for allowance:
3. For claim 1, applicant's invention combination including: "a dielectric housing defining opposite mounting and mating surfaces and a plurality of terminal passageways extending therebetween and arranged in rows, each of the terminals comprising a retention body secured in a corresponding terminal passageway and cantilever opposite arm extending from the retention body from the retention body past the mounting and mating surfaces respectively and a plurality of projections provided on the mounting and mating surface located along the rows and between the terminals; wherein the electrical device engaging" is not taught by APA or suggested by other prior art of record.
4. APA among other difference does not disclose all limitations of claim 1 as discussed above, therefore, does not meet claim 1 limitations, which are basic to the invention, nor would inclusion of such feature be an obvious change.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
